Certainly. I'm preparing a separate email with major milestones of the timeline, including highlighting NHPA, but would like Kelly, Tom, and/or Matt to be able to take a look in the morning with fresh eyes.

Do the additions below (highlighted) weave in what you have in mind for these?

Rosemary and Tom

Can we put in a few more details on timing. For instance what would we want to target as completing the agreement.

Thanks

Jeaneanne – The following are recommended talking points on NHPA for Mary's meeting:

- The existing **FDEP-SHPO Operating Agreement** would serve as a major point of reference for NHPA coordination under an assumed CWA section 404 program, and is the basis of the Programmatic Agreement that ORC is drafting.
  - o The Operating Agreement was signed by FDEP and the Florida SHPO the week of August 3<sup>rd</sup>

**Ex. 5 Deliberative Process (DP)**

- o It sets forth a consultation process:
  - to identify historic properties that may be impacted by Florida's issuance of state 404 permits, and

- **Consultation** process:

## **Ex. 5 Deliberative Process (DP)**

- All 3 tribes in Florida were informed of the Operating Agreement and offered the opportunity to comment
  - o The Operating Agreement reflects significant input from the tribes, particularly the Seminole, who engaged to ensure it reflected their interest.
  - o None of the tribes opted to be signatories.

Please let us know if you need any more on this. I'll send timeline details via a separate message.
